Meeting Program Calendar

Date	Presenter	Topic
September 16, 2023	Tammy Silvers of Tamarinis: "Seeing Double" www.tamarinis.com	Ever wonder - what would this quilt look like if I made it in another color way? If I used plaids and stripes instead of florals? Well, I can't tell you what EVERY quilt would look like, but we can explore some practical examples together! In a fun format, we will compare quilts made in florals versus batiks, reproduction fabrics versus crisp modern prints, brights versus pastels. Gather inspiration and insight into the choices for your next project!
October 21, 2023	Teresa Pelton from "Deb Tucker Rulers"	Teresa will show us some of the rulers and how they can be used to make stunning and precise quilt blocks.
November 18, 2023		"The Next Generation of Designers"--an introduction to the designs and style of a few up-and-coming quilt pattern designers from the "Millennials"
