

## ICE CRYSTALS BLOCK 4

4. Matching edges, sew light A to dark B and B to light Ar. Press to Ar. Make 4 right sections.

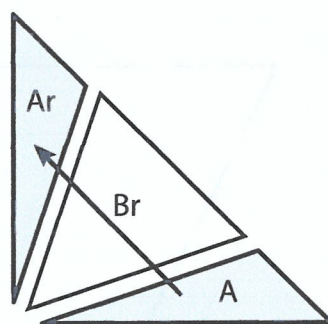

6. Sew left and right sections together. Press seams open. Square should equal 6-1/2". Make 4.

1. You will use A/Ar in two places in this block so you only need to make template B/Br. Place, wrong sides together, the light and dark fabrics, with the light on top. Cut out (4) each A/Ar. Repeat with the dark on top. You will get (4) light A, (4) dark Ar, (4) dark A, and (4) light Ar. \*See step 3 for paper piecing.

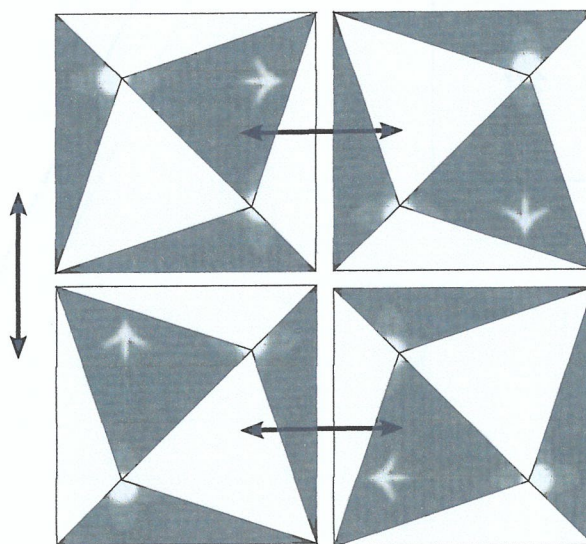

2. Repeat step 1 with the dark and light fabrics, with the light on top, and template B for (4) light B and (4) dark Br. Continue to step 4 unless paper piecing.

3. For paper piecing cut out pieces, adding a 1/4" around all the edges of the templates, repeat steps 1 and 2. Paper piece 4 left and 4 right sections following the numbers. Skip to step 6.

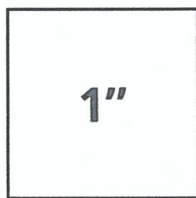

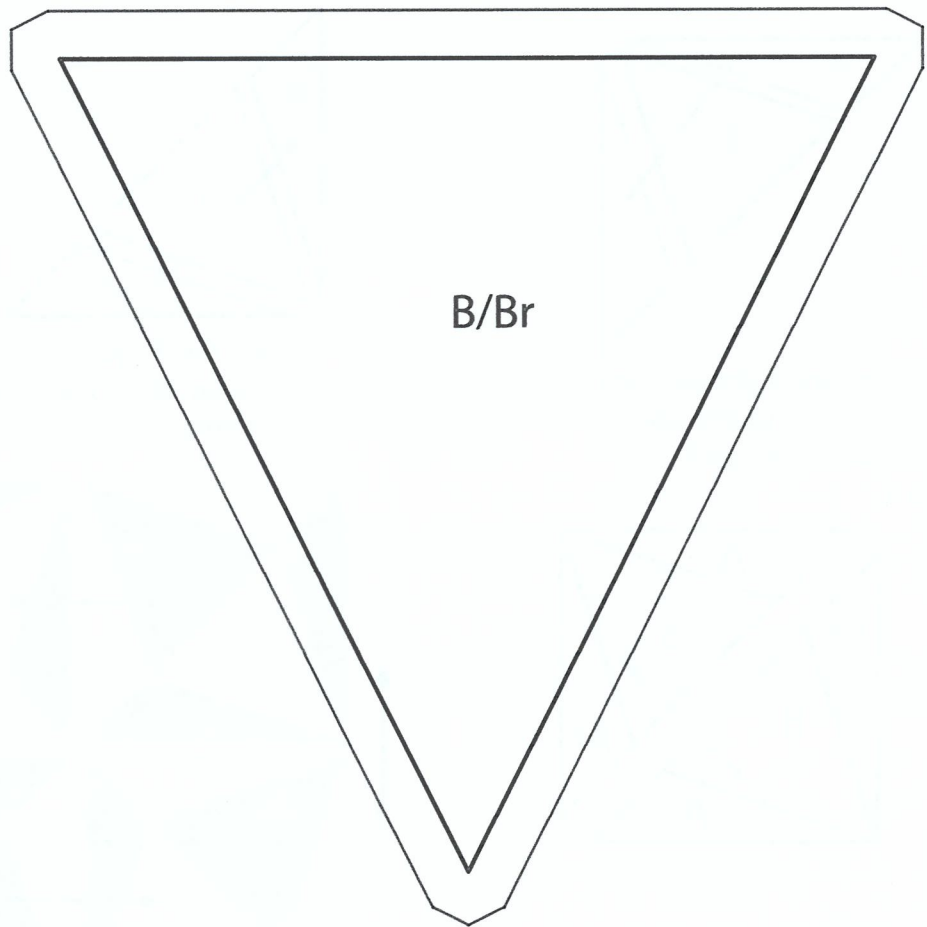

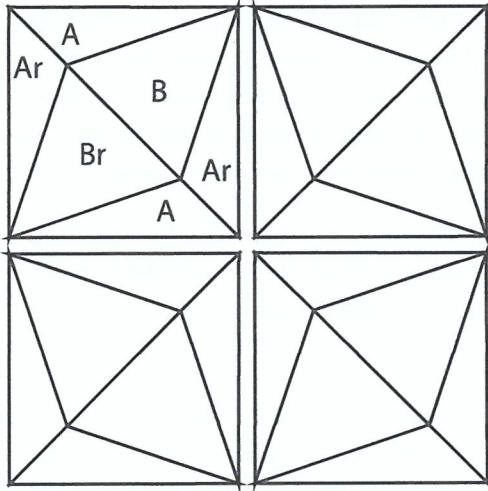

5. Repeat step 4 with dark Ar, light Br, and dark A. Press to Ar. Make 4 left sections.

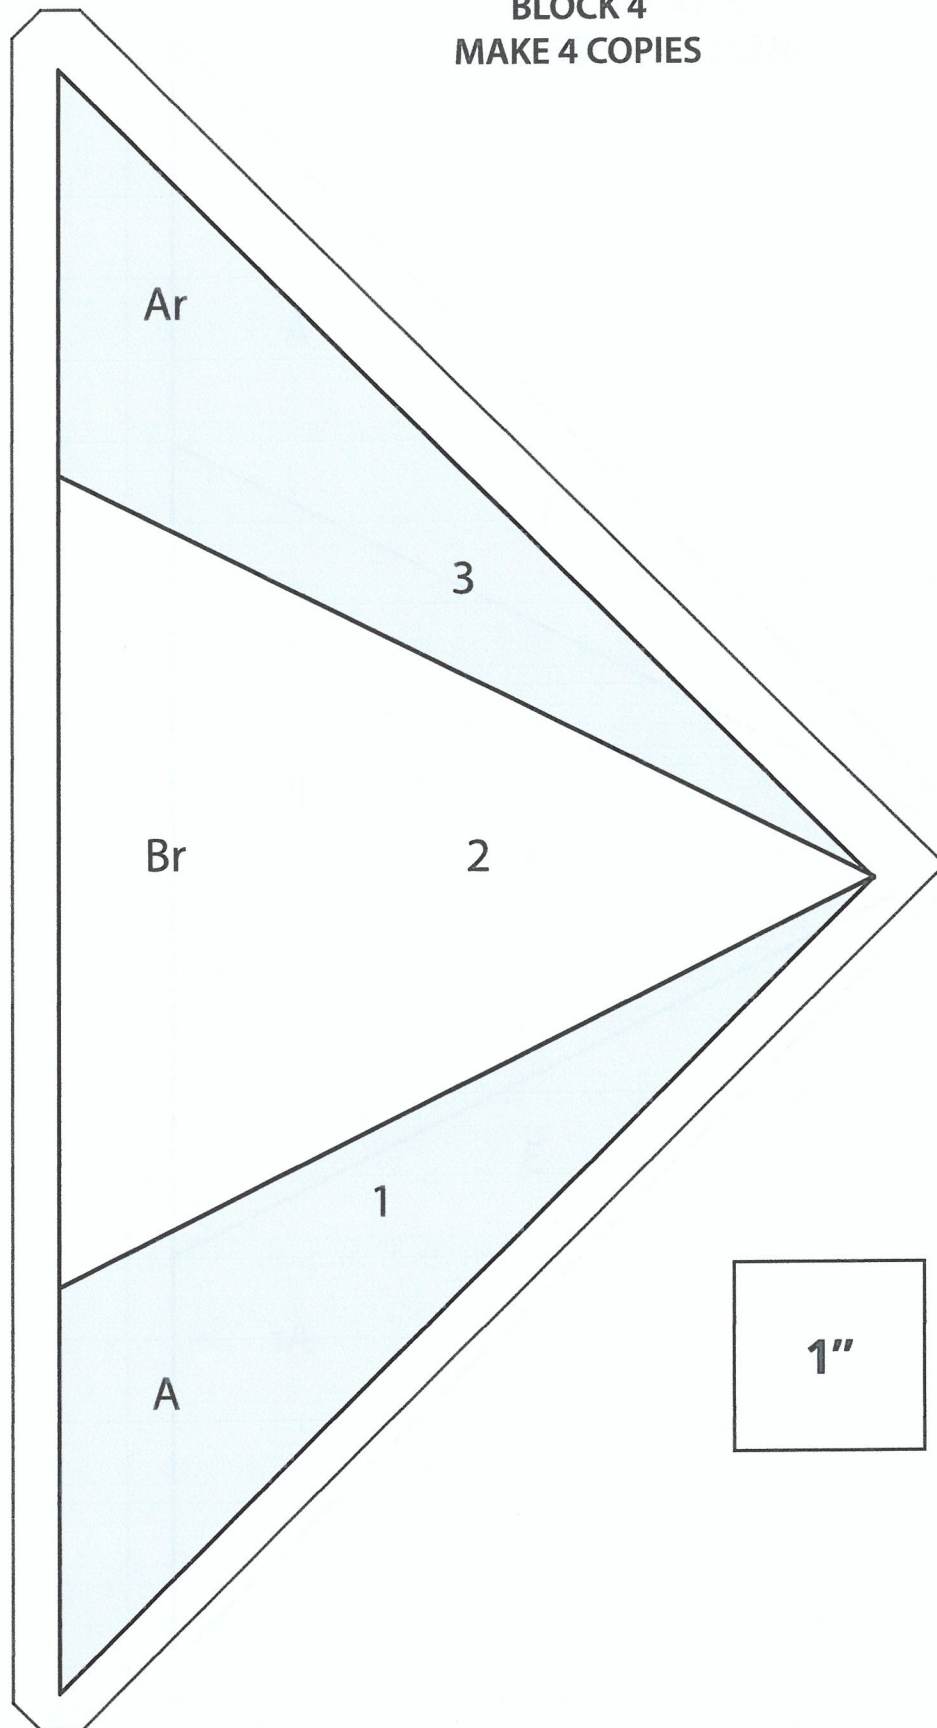

7. Sew the 4 squares together rotating sections as shown. Press seams open to reduce bulk. Block should equal 12-1/2".
