

ICE CRYSTALS BLOCK 5

4. Matching edges, sew light A to dark B, B to light C and C to dark D. Press towards D. Make 4 right sections.

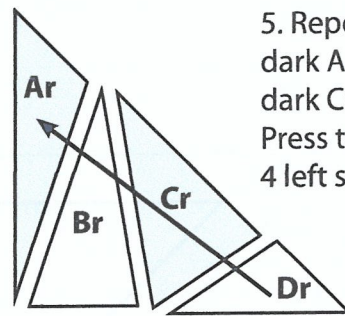

6. Sew left and right sections together. Press seams open. Square should equal 6-1/2". Make 4.

1. Place, wrong sides together, the light and dark fabrics, with the light on top. Cut out (4) each A/Ar. You will get (4) light A and (4) dark Ar. *See step 3 for paper piecing. Repeat with template C.

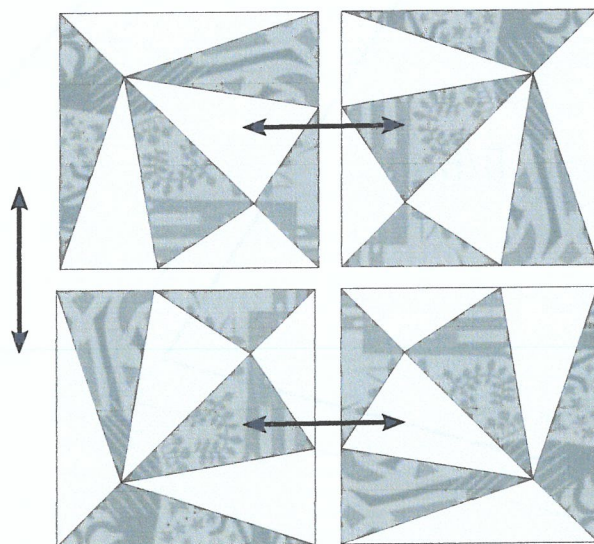

2. Repeat step 1 with the dark and light fabrics, with the dark on top, and template B for (4) dark B and (4) light Br. Repeat with template D. Continue to step 4 unless paper piecing.

3. For paper piecing cut out pieces, adding a 1/4" around all the edges of the templates, repeat steps 1 and 2. Paper piece 4 left and 4 right sections following the numbers. Skip to step 6.

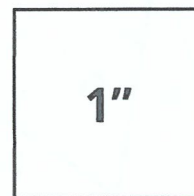

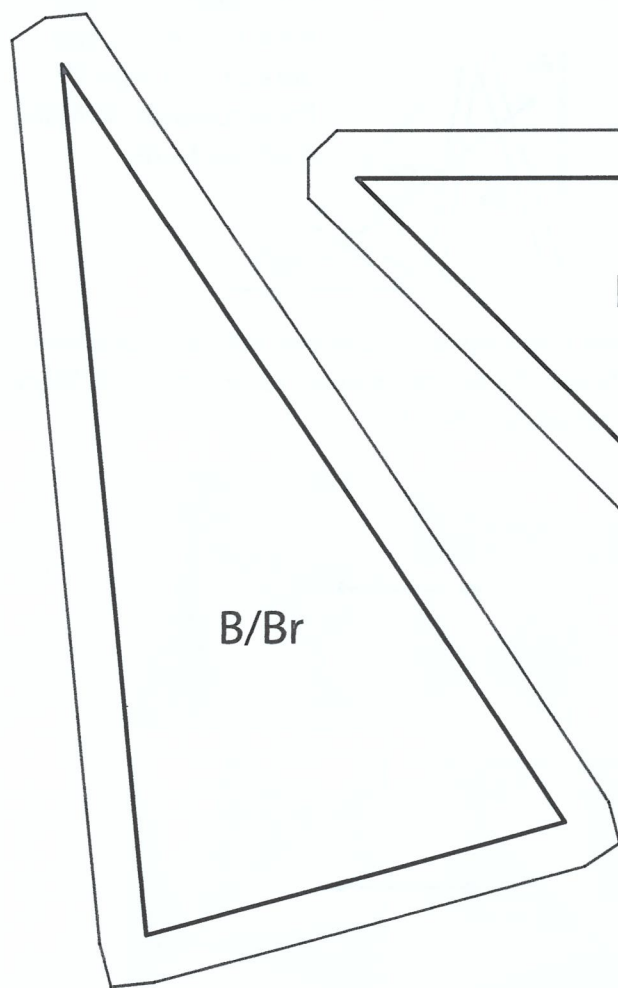

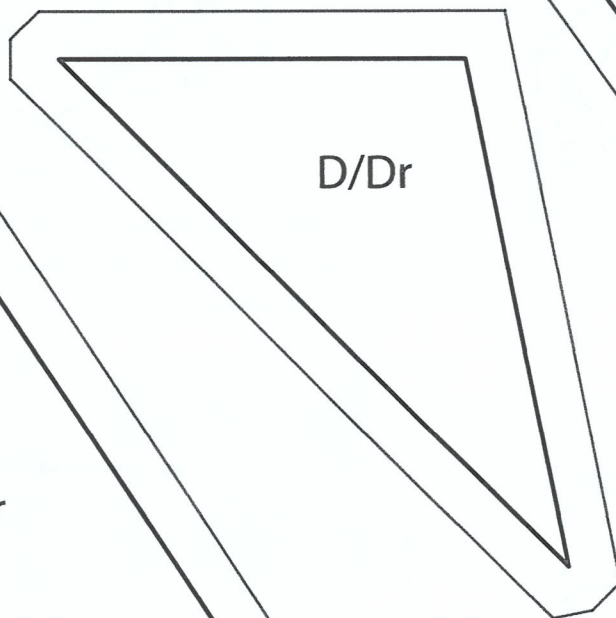

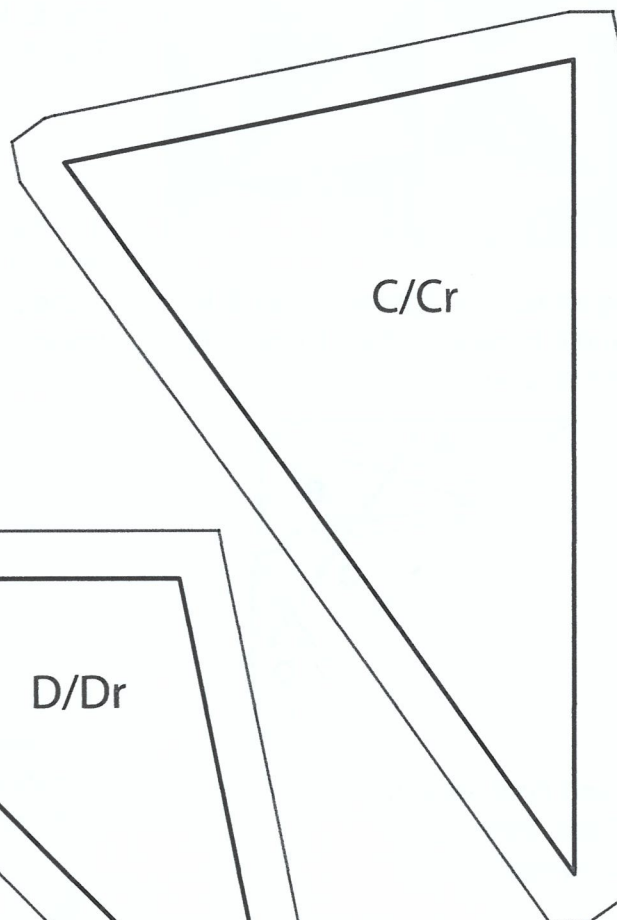

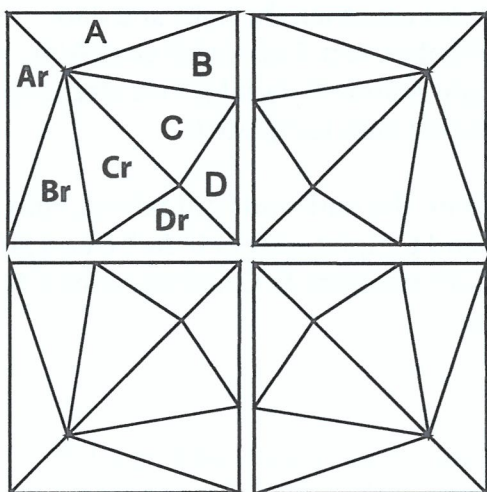

5. Repeat step 4 with dark Ar, light Br, and dark Cr and light Dr. Press towards Ar. Make 4 left sections.

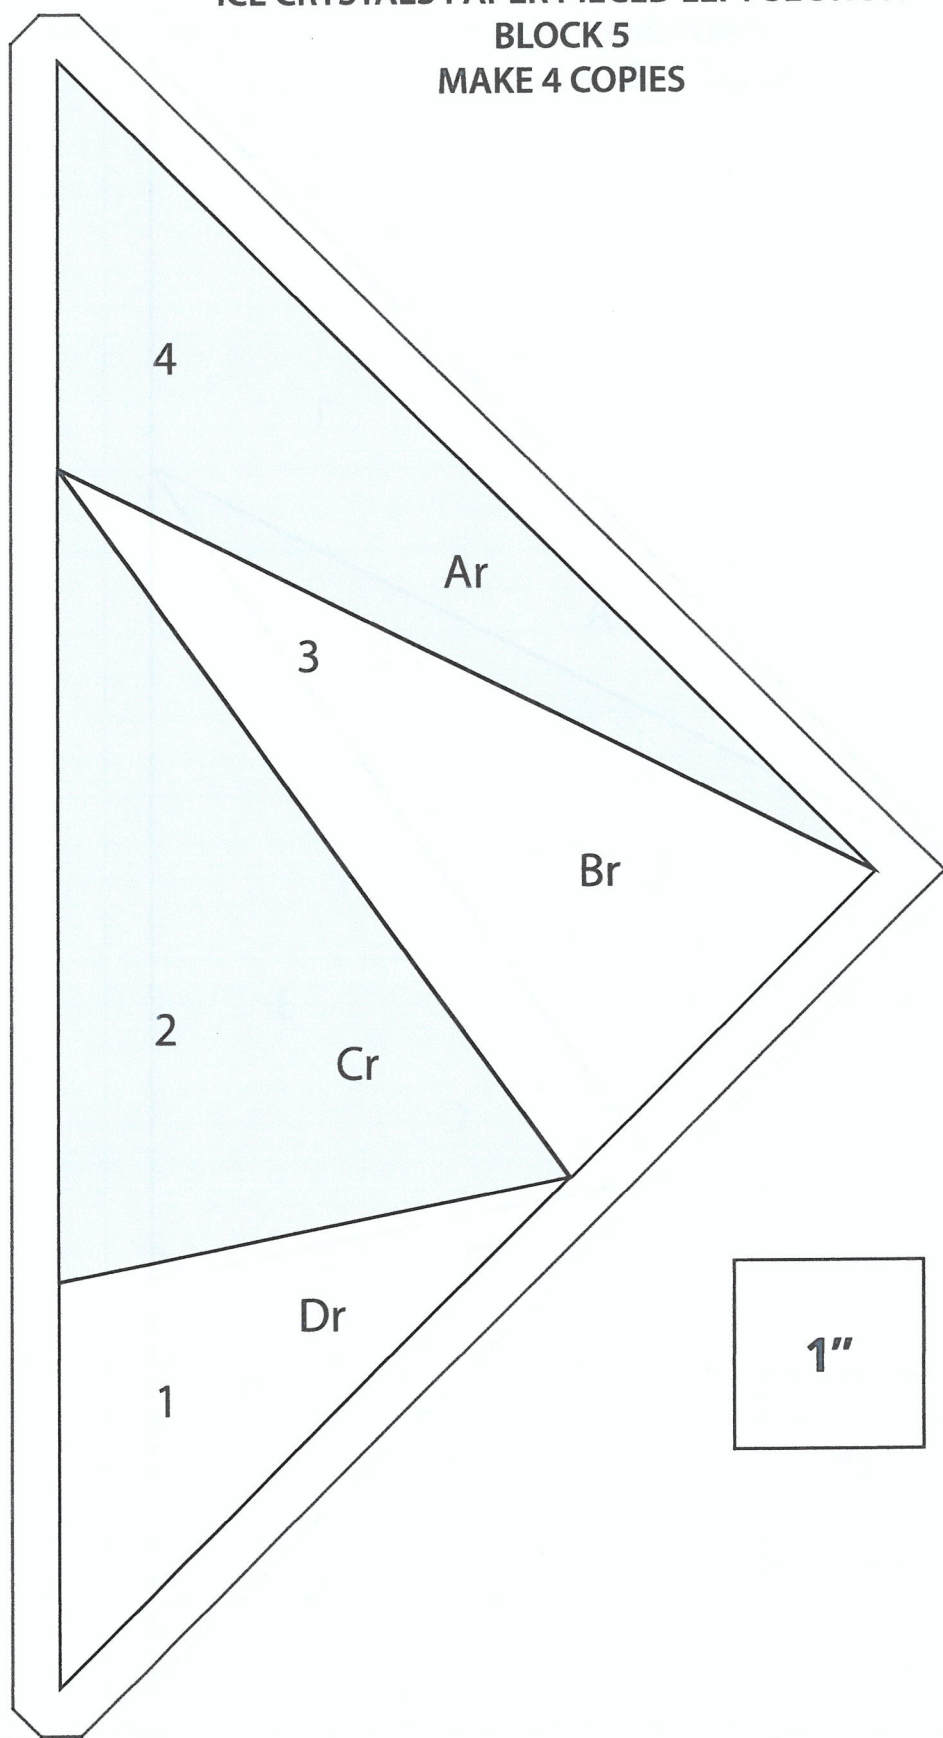

7. Sew the 4 squares together rotating sections as shown. Press seams open to reduce bulk. Block should equal 12-1/2".
